

Part 3. Snow Removal on Sidewalks

503.01. **Snow and Ice a Nuisance.** All snow and ice remaining upon public sidewalks is hereby declared to constitute a public nuisance, and shall be abated within 24 hours after such snow or ice has ceased to be deposited:

- a. In the case of snow and ice remaining on a sidewalk in front of a building, by the owner or occupant of such building.
- b. In the case of snow and ice remaining in front of vacant property by the owner of such property.

503.02. **Street Superintendent to Remove Snow and Ice.** The street superintendent shall cause to be removed from all sidewalks, beginning 24 hours after any snow or ice has ceased to fall, all snow and ice which may be discovered thereon, and he/she shall keep a record of the cost of said removal and the lot or lots adjacent to which accumulations were found and removed, and shall deliver such information to the city clerk as soon as the work or removal is completed.

503.03. **Cost of Removal to be Assessed.** The clerk shall, upon direction of the council, on receipt of information provided for in the preceding section to be delivered to him/her by the street superintendent, extend the cost of said removal of snow or ice as a special tax against the lots or parcels of ground abutting on walks which were cleared, and such special tax shall at the time of certifying taxes to the County Auditor be certified for collection on as other special taxes are certified and collected.
